About Us...

www.just-pies.com

Just Pies is a specialized bakery focusing on the production of, you guessed it, Pies!!! Just Pies has been a family-owned and operated business for over 20 years. We have three Columbus locations. Our storefront locations in Worthington, and Gahanna, and our baking facility and retail location in Westerville.

Just Pies produces homemade pies from the finest, freshest ingredients. With a variety of over 35 different flavors available each morning at our storefronts, there is sure to be one that is "Just" right for you!

Did you know that Just Pies was featured on the Food Network's "Best Of" show for pies and that Just Pies was also featured on "Oprah's Best of the Best" based on The Food Network's selections?

Our Pies...

When asked what makes our pies so special, the answer is easy: the crust. Just Pies makes a light-flaky crust that will take you back to the homemade pies that grandma used to bake. The recipe is simple: flour, a touch of sugar, and the secret ingredient, lard.

For our fruit pies you will only find quality IQF fruit. No canned fillings here! Our fruit is picked from all over the country, whether it is strawberries from California, red raspberries from Oregon, or just red tart cherries from our neighbor to the north, Michigan. The fruit is first picked fresh, cleaned, and then individually quick frozen (IQF). This IQF process allows us to bring you the freshest tasting fruit fillings all year long.

What about our cream pies?? Nothing but whole milk, farm fresh eggs, and grade AA butter. We make our meringue from scratch using egg whites, and our cream is whipped fresh daily. Not only that, but our bananas are received fresh every morning, and our key lime juice comes straight from Key West, Florida.

Not just your ordinary fundraiser...

What this means is that we have an outstanding product, baked locally, that you can feel good about selling. Something a little different from wrapping paper, candy or doughnuts and that is made right in Westerville, Ohio.

All you need to qualify is the sale of 75 pies or sales of \$600 with a combination of pies and gift certificates.
